

Directions to the office of San Mateo Rheumatology
 Michael P Stevens, M.D. Bryan Gescuk, M.D.
 101 S San Mateo Drive #307 San Mateo, CA 94401

Map of 101 S San Mateo Dr, San Mateo, CA
 94401-3804

From Highway 280:
 Take the Highway 92 freeway East. Take the El Camino Real exit and then turn left on El Camino. Stay on El Camino for about 2 miles. Turn right on Baldwin Avenue. Go two blocks to Ellsworth Street and turn right. The entrance to our garage will be immediately on your right. The driveway goes downhill and is called "Mills Square, Hillsborough Plaza Garage." If you go past the Fire Dept, you have gone too far. There is a booth at the garage entrance where the attendant will direct you where to park for Dr. Stevens' office. The parking is \$2.00 an hour and we do not validate. There is also metered street parking but can be difficult to find a space. Do not park in the open air lot behind our building. It is reserved for other tenants and your car will be towed.

From Highway 101:
 Take 3rd Avenue West. Go west to Delaware Street. Turn right on Delaware and go 2 blocks to 1st Avenue. Turn left on First Avenue and proceed until the street dead ends (in front of an 8 story office building). Turn right for just a few feet and then make a left into our garage. The drive way goes downhill and is called "Mills Square, Hillsborough Plaza Garage." If you go to the corner, you have gone too far. There is a booth at the garage entrance where the attendant will direct you where to park for Dr Stevens' office. Parking is \$2.00 an hour and we do not validate. Metered street parking is also available but it is often difficult to find a space.
